NEW! IMPROVED! DIFFERENT!

GRECO SOLID BODY ELECTRIC GUITARS AND ELECTRIC BASS GUITARS
EXCLUSIVE WITH GOYA MUSIC CORPORATION

Featuring :

- ★ Top quality American style magnetic pickups.
- ★ Slim-line fast action necks carved from 42 piece laminated hard woods.
- ★ Deluxe professional type vibrato assemblies with heavy duty flat sway bars.
- ★ Uniquely designed head piece of distinctly beautiful appearance.
- ★ New, fine quality all metal, chrome plated, individual machines.
- ★ Fast change slide switches to activate each pickup.
- ★ New toggle switch for solo-rhythm change.
- ★ High quality machine turned metal volume and tone control knobs.
- ★ Fully adjustable chrome plated bridge for height and intonation of each string.
- ★ Adjustable steel neck rods in every model.
- ★ Beautifully designed, heavy duty, chrome plated string guides and adjusting nut cover plates on headpiece.
- ★ Pickups, switches, knobs, and components, mounted on heavy gauge chromed metal surface plates affording a very "expensive" look.
- ★ Mirror like high lacquer finishes in red, white, blue and sunburst.
- ★ More than competitive in price--above competition in appearance--beyond comparison in performance.

GE—2

Two pickup model with two slide switches, solo rhythm switch, vibrato, tone and volume controls.

GE—3
